## PROCEDURES FOR OBTAINING A COMMERCIAL USE AUTHORIZATION

In response to your inquiry concerning Commercial Use Authorizations, enclosed is a Commercial Use Authorization Application Worksheet for you to complete and return to us. It is important that the worksheet be as detailed as possible concerning your proposed activity.

For guided tours, sporting events or other organized gatherings, you will need to attach a copy of advertisements, flyers, brochures, and all information sent to participants.

The information on the worksheet will be utilized by the National Park Service (NPS) staff to evaluate the impact of your activity on park resources and visitors, the appropriate type of permit, and any additional fees required. It may require several weeks to review your request and render a decision. Complete and return the Application/Worksheet with these fees:

**NOTE: If additional monitoring is required beyond the minimum four hours, the permittee will be charged at a rate of \$50.00/hour, or \$65.00/hour for overtime rates.**
